

Specimen Label

PRINCIPAL FUNCTIONING AGENTS:

Proprietary blend of oils, emulsifiers, organosilicone
and formulation aids 100%
TOTAL..... 100%

KEEP OUT OF REACH OF CHILDREN

WARNING

May be harmful if swallowed. Causes skin irritation. Causes serious eye irritation. May be harmful if inhaled. Read label before use. Keep container tightly closed. Keep only in original container. Avoid breathing dust/fume/gas/mist/vapors/spray. Wash contaminated areas thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves/protective clothing/eye protection/face protection.

FIRST AID

Call a poison control center or doctor immediately for treatment advice.

Have the product container with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing. If eye irritation persists: Get medical advice or attention.

IF ON SKIN OR CLOTHING: Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes. If skin irritation occurs: Get medical advice or attention.

IF SWALLOWED: Call a poison center, doctor, physician if you feel unwell. Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person.

IF INHALED: If breathing is difficult, remove person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

GENERAL INFORMATION

SUNRISE is a penetrant-spreader specially designed for high-volume sprays. The superior emulsifier-spreader package includes organosilicone for improved spreading and penetration. The high quality oil blend, that includes methylated seed oil, is designed for excellent penetration while maintaining low phytotoxicity. **SUNRISE** may be used for air and ground applications and is especially engineered to work with imazapyr and similar chemistries that require or recommend the use of an oil adjuvant. The specially formulated chemistry in **SUNRISE** is designed to be versatile and can be used with both extremely low volume or high volume applications.

FOR FORESTRY, INDUSTRIAL, RIGHTS-OF-WAY, AQUATIC AND OTHER USES AS DIRECTED ON PESTICIDE LABELS.

DIRECTIONS FOR USE

Always follow the label directions on the pesticide being used. If not directions are given, follow the use rates and directions below.

USE RATES

FOR GROUND APPLICATION: Mix ½ to 1 gallon of **SUNRISE** per 100 gallons (0.5 – 1% v/v) of spray solution. Apply at a rate of 25 – 40 gallons per acre or as specified on the pesticide label.

FOR AERIAL APPLICATION: Use 1% v/v (approximately 6 ounces per 5 gallons).

FOR AQUATICS: Follow the directions on the specific pesticide label for crop oil use. Use only if organosilicones are not excluded from use on the label.

STORAGE AND DISPOSAL

Storage: Store in a cool well-ventilated place. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies. For optimal storage, store between 40° and 90° F.

Disposal: Do not contaminate water, food or feed by storage or disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all federal, state and local regulations. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrcycle.org.

WARRANTY STATEMENT

Red River warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to the label instruction, or any abnormal conditions, or under conditions not reasonably foreseeable to Red River, and buyer assumes the risk of any such use.
